

## YAKITORI (GRILLED CHICKEN)

Buy enough chicken for the number you are feeding – chicken breasts or boneless chicken thighs

Cut in pieces to fit on a skewer (bamboo or metal skewers)

For 2 chicken breasts or 4 thighs combine —

2 Tablespoons soy sauce

1 ½ Tablespoons granulated sugar

2 Tablespoons water

Optional: Ground ginger, garlic powder, red pepper flakes . . . flavors you enjoy!

Let marinate ½ hour or more. The longer, the stronger flavors.

Remove from marinade and skewer on to the skewers (or you can just grill them without the skewer is ok)

Grill or broil for 7-8 minutes, turn halfway through.

Serve warm.
